Technology + Science + People
Future-Ready HR

Shaping the Workforce of Tomorrow

Scaling

Building Tomorrow's Workforce

With a nationwide presence across multiple locations, we provide a robust foundation for organisational growth. Our solutions adapt seamlessly to evolving needs, supporting businesses from startups to established enterprises in shaping their future workforce.

Scientific

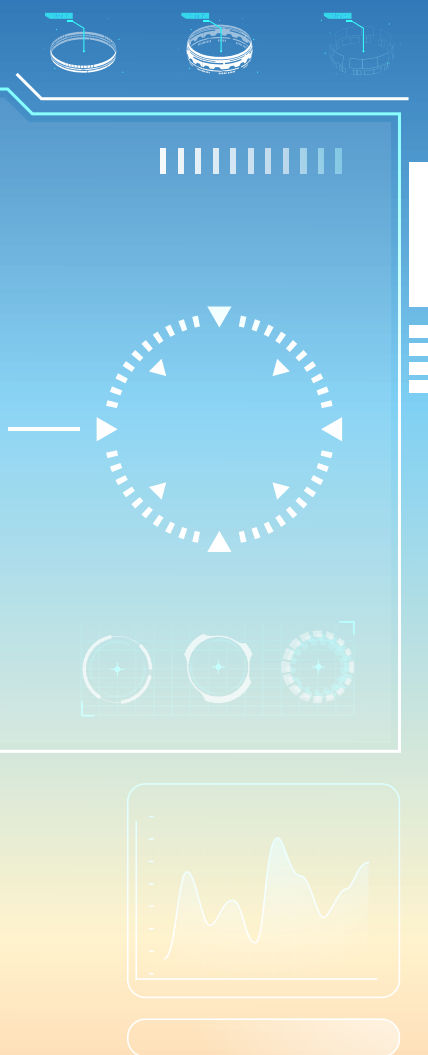

Driven by Data and Insights

We combine deep sector insights with AI and cloud-based technology to optimise HR processes. Our AI tools match resumes and automate initial interactions, while custom software manages the employee lifecycle—from assessments to learning programmes. This data-driven approach enhances efficiency and precision, helping organisations build a future-ready workforce.

Sensitive

The Human Touch

While embracing advanced technology, we prioritise the human touch in our solutions. Our approach is designed to understand and respond to the unique needs of employees, fostering engagement and driving growth. For deputies and temporary employees, this human-centric focus is particularly crucial, ensuring they feel valued and connected.

Workforce Planning and Talent Acquisition

Professional Staffing

CIEL HR, along with CIEL Technologies, delivers specialised IT and engineering professionals on flexible contracts, ensuring businesses access niche talent for both short and long-term projects.

Managed Services Programme

We help businesses run their talent acquisition programmes end-to-end for the contractual as well as full-time roles, right from supplier management to strategic workforce planning.

Value Staffing

We provide flexible workforce solutions across industries, helping companies manage short-term talent needs without increasing permanent headcount or costs. With our national presence and in-house technology platforms, we provide apprentices and temp employees covering a wide range of skillsets.

National Apprenticeship Promotion Scheme (NAPS)

CIEL HR provides end-to-end apprenticeship management under the Government of India's upskilling initiative. From sourcing and training to assessments and certification, we streamline the process, ensuring compliance and structured skill development.

National Apprenticeship Training Scheme (NATS)

We offer end-to-end apprentice recruitment and management, from sourcing and assessment to training, certification, and compliance. Leveraging our expertise and network, we help organisations identify the right talent and seamlessly maximise scheme benefits.

Executive Search

We specialise in hiring top talent for CXO, leadership, and high-impact roles. With deep market insights, a strong network and our in-house psychometric assessment capability, our experts identify, attract, and assess the best-fit candidates for strategic hiring decisions.

Recruitment Process Outsourcing (RPO)

Our end-to-end RPO services manage everything from strategy and job descriptions to sourcing, screening, and onboarding-enhancing efficiency so businesses can focus on core operations.

Permanent Recruitment

We help organisations seamlessly fill open roles, complementing their internal recruitment efforts. With industry expertise and advanced AI technology, our team ensures an efficient and effective hiring process.

Background Verification

Our group company, Vibrant Screen, provides 25 ISO-certified background checks to 450+ organisations in India and abroad, covering employment, education, ID, criminal, credit history, global verifications and more. With 32M+ candidates screened, Vibrant Screen holds NASSCOM Platinum status and uses proprietary technology to ensure secure hiring decisions.

Skilling, Learning and Development

CIEL Skills & Careers

Specialising in government initiatives such as Deen Dayal Upadhyaya Grameen Kaushalya Yojana, Pradhan Mantri Kaushal Vikas Yojana, and Electronics System Design and Manufacturing, we equip candidates with industry-relevant skills for seamless placements across sectors.
